Thesis Check Rules

A truncated file is checked for plagiarism according to the Order No. 1 од (dated January 09, 2017) Rules of work organization to check the volume of borrowings in the thesis and placement in the TPU electronic library system (Annex 2).In order to display a plagiarism-checked file in **Thesis Check' service** (it happens automatically), put a checkmark in the **Description** field and select the document type **Graduate thesis** in the drop-down menu (including Master’s and PhD students).If you have already checked the file with a thesis status in the module **Thesis Check**, you can select the desired checked document in the drop-down menu on the right of the **Document** tab. Do not click the link on the left.
