

# General

Only **your own document** can be checked for plagiarism: an abstract, a term paper, a thesis, a research paper, a publication, etc.

Any attempt to check for plagiarism someone else's file taken from open Internet sources, and attempts to bypass the system by any means will be banned, which includes blocking the user's login

The size of a downloaded file should not exceed **5 MB**. The file must be short, in Latin letters, without spaces.

Only texts should be checked. Remove images, if possible
